### AN OLD FASHIONED WEDDING.

[Correspondence of Alexandria Gazette.]

MARSHALL, June 26.—The marriage at Markham on Thursday evening of last week of Professor Howard G. Ford, of Memphis, and Miss Mary Douthat Stribling, youngest daughter of Co. Robert Stribling, was one of the most interesting and beautiful ever witnessed in recent years. The church was gorgeously decorated with ferns, running cedar and daisies and was very brightly illuminated. To the orthodox time of the wedding march artistically rendered by Miss Lucy Jones, the bride and groom entered the sacred edifice in the following order: The officiating clergyman, Rev. Frederick Ribble, followed by the bridesmaids, Misses Nellie Waller, of Stafford; Bessie Wight of Richmond; Lina Stribling, of Fauquier; Elizabeth Stribling, of Fauquier; Mildred Foster, of Fauquier. Then the bride, followed by the groom, Mr. Ford, followed by the ushers, Messrs. Robert C. Stribling, James K. Stribling, of Fauquier; Charles Puryear, of Richmond; John Hearst, of Philadelphia, and William Symes, of Washington. Your correspondent unfortunately did not describe the costumes of the bride and her attendants further than to say they were gowned in exquisite taste in some light fluffy gossamer like fabric that made them all look mighty pretty. After the ceremony the large party of invited guests repaired to Mountain View, the residence of the bride's father, where an informal reception was held, followed by an old-fashioned Virginia collation, comprising very toothsome dainties of the season. Among those present were noticed, in addition to the neighborhood folks, the Messrs. Douthat, of Danville, and Hearst, of Philadelphia; Mr. and Mrs. J. William Yates, and Mr. and Mrs. Edward Green, of Rappahannock; Mrs. Stabler, of Alexandria; Mr. and Mrs. Archer Magill Smith, and Wm. C. Marshall, of Winchester, and Judge Turner, of Front Royal. An interesting and enjoyable feature of this wedding was the revival of the "home party," a fashion of the early part of the present century. About a dozen couples, friends and relatives of the bride, assembled at Mountain View ten days or two weeks before the wedding and enjoyed themselves heartily till the departure of the newly wed, Thursday evening, amidst a perfect deluge of rice, old shoes, and good wishes. An extended tour through the south and west will end at Memphis, their future home, where Mr. Ford has for a few years past held an honorable and lucrative college professorship.

A Valuable Prescription.

Editor Morrison of the Worthington, Ind., "Sun," writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal." Mrs. Annie Stehle, 2025 Cottage Grove Ave., Chicago, was all run down, could not eat nor digest food, had headache which never left her, and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed her strength. Prices 50 cents and \$1.00. Get a Bottle at E. L. Allen's Drug Store.

Mr. Isaac Horner, proprietor of the Burton House, Burton, W. Va., and one of the most widely known men in the State, was cured of rheumatism after three years of suffering. He says: "I have not sufficient command of language to convey any idea of what I suffered, my physicians told me that nothing could be done for me; and my friends were fully convinced that nothing but death would relieve me of my suffering. In June, 1894, Mr. Evans, then salesman for the Wheeling Drug Co., recommended Chamberlain's Pain Balm. As this time my foot and limb were swollen to more than double their normal size and it seemed to me my leg would burst, but soon after I began using the Pain Balm the swelling began to decrease, the pain to leave, and now I consider that I am entirely cured." For sale by J. H. Janney, Druggist, 701 King Street.

The latest novelty in a canopy which is easily attached to any style of wood, brass, iron or folding bed, without defacing the same. Although just introduced, it is being adopted by the best residences, hotels and hospitals in every city where it is shown. It requires no step ladder to put it up and is always in working order. Come in and see how completed this canopy is and how easy it works. You can move your bed to any part of the room you may desire. We take great pleasure in showing you as it is no trouble to us.

## FIVE REASONS WHY YOU SHOULD BUY "THE DIXIE."

1st. It affords the best ventilation, having a head piece 5 feet wide without folds or cross sticks; the hot air readily escapes, and the net being free from folds on the sides and foot of bed the cool air easily rushes in to fill the vacuum.

2nd. It handles the bed, by releasing the cord at the foot of the bed; the spring arms carry the netting to a perpendicular position against the head-board.

3rd. The bed can be rolled to any part of the room for ventilation or other purposes.

4th. It is the only net in use that is an ornament to the room, draping as beautifully on a head-board as a lace curtain does on a window.

5th. A child can work it.
